## CASH PREMIUMS OFFERED BY AMERICAN ANGUS ASSOCIATION

\$350 for 50-75 Head  
\$425 for 76-100 Head  
\$500 for 101-150 Head  
\$700 for 201 or more Head

## Ribbons, Rosettes and Banners awarded by East Texas State Fair Special Rules

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered for open class Angus breeding cattle classes according to the premium scheduled based on the number of head shown. The Association's contribution will be included in the premium check issued by the show.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The association does not pay a percentage on premiums offered in championship classes.

Exhibitors must have the original registration certificate on each animal available for inspection at the show.

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing, with the exception of false tail switches.

For an exhibitor to be eligible at shows for premium moneys contributed by the American Angus Association each exhibitor is subject to Part 3rd, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition".

Any female shown with calf at side, the calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check-in.

Only one person at a time shall lead animals into the show ring.

**DNA FOR PARENTAGE VERIFICATION.** Under the Association Rules each animal for which entry application (registration) is received, may be subjected to a DNA test to verify ACCURACY OF PARENTAGE as covered under Association Rules Part 3, Section XI, Rule 2nd (a). **Staff of the American Angus Association must supervise the collection of blood samples.** Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate. If a recorded parent is excluded (as a parent) as a result of DNA, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herd Book, and the registration certificate becomes null and void.

**FEMALE CLASSES:**

- 1. Late Junior Heifer Calf calved on or after March 1,2008
